Dear Few, “... Happy Few!”

100 years after the Most Sacred Heart of Jesus asked the King of France to put His Sacred Heart on the national flag (1689 A.D.), and the kings refusing to do so, France was punished with the nightmare of the blood-dripping French Revolution (1789 A.D.)!

We are now over 100 years from the apparition of Our Lady to the three shepherd children in Fatima, where She communicated the Will of God for the consecration of Russia. In 1929, She more specifically asked Sr. Lucia to relate to the Pope that he must consecrate Russia, in union with all the bishops, to Her Immaculate Heart. Our Lord later told Sr. Lucia that if His Mother’s requests are ignored and neglected, the world will suffer the same fate as France, but on a global scale!

**Communism will not stop until, like a voracious beast, it swallows up the entire world!** Global domination is their goal and has been, ever since it began!

We have witnessed betrayal at the highest levels of the Church! Archbishop Marcel Lefebvre saw it first-hand during the Second Vatican Council. Now we have recently witnessed, at the political level, the United States as well as numerous countries, fall because of betrayal from the very men who should have defended their homelands! As St. John Fisher said of once-Catholic England, **“The fort has been betrayed by the very men who should have defended it!”** We’ve had enough of Judas! It’s time for the contrition, repentance and reparation of St. Peter!

**The chief request of Our Lady of Fatima was reparation, prayer and repentance!** She was very specific; reparation will be most fittingly done by the Five First Saturday Devotions. This is so simple. On five, consecutive first Saturdays, do five things:

1. Recite the Rosary;
2. Confessions eight days before or after;
3. Holy Communion on that day (or Spiritual Communion, if no True Mass is available);
4. Meditate for 15 minutes on the mysteries of the Rosary; and
5. Pray an “Our Father”, “Hail Mary” and “Glory be” for the Holy Father.

If enough souls will zealously do these, Heaven will be appeased and God will grant us a good Pope who will finally(!) obey the Blessed Mother. Blessed and happy day that will be!  
**As things seem to get more desperate, so much more should we strive to fulfill these simple requests given by the Mother of God Herself!**

It may take a global-equivalent of the horrors of the French/ Masonic Revolution to turn men's hearts back to God and wake up the prelates and a Pope, to finally obey the Blessed Virgin Mary! The Virgin Mother actually predicted that entire nations would be annihilated before people even begin to wake up from the dark fog of media lies, cyber-delusion and sin!

**So let us be generous! Let us strive to make reparation for the sins that reduced the Heart of Our Savior to be emptied of such tremendous quantities of Blood, pierced open on the Cross, yet still on fire, burning with Love for souls!** Just to wipe off a few drops of Sweat and Blood that poured down unceasingly from His bruised and swollen Face, would repair for sins and console Him!

What Our Lord suffered so cruelly through the Sacred Passion, so did Our Lady of Sorrows! "To what shall I compare thee? or to what shall I like thee, O daughter of Jerusalem? to what shall I equal thee, that I may comfort thee, O Virgin Daughter of Sion? for great as the sea is thy destruction, who shall heal thee?" ...who shall console thee? (Lamentations 2:13) Mark our calendars for 2021! Even if one has done the Five First Saturdays many times, please do one more, for souls who don't! **How many souls can be rescued from the fires of Hell by fulfilling this simple request from Heaven!**

On another note, we are not allowed to let ourselves fall to the lies and deceits of the Enemy. **Only with the help of the Holy Ghost and Our Blessed Mother will we be able to avoid these snares!** Prayer, especially the Holy Rosary, will give us light to see and, needless to say, try to be (reasonably) informed. While still available, some good sources of information are: [stmaryskssspxmc.com](http://stmaryskssspxmc.com), [sspxmc.com](http://sspxmc.com), [thecatacombs.org](http://thecatacombs.org) and [therecusant.com](http://therecusant.com). On another note still, **I am continuing to look for property, if God wills, to begin a house of studies for priestly and monastic training.** Also, for priests, faithfully holding the line of the Traditional-SSPX. Archbishop Marcel Lefebvre said, after reading Fr. Emmanuel Barbier's book (unfortunately, only available in French), *Histoire du Catholicisme Liberale*, that if he could start again, he would focus more on the counter-Revolution in the priestly formation.

Following in the line of the Popes (who condemned Liberalism and all the Modern Errors), Cardinal Pie of Poitiers, Fr. Denis Fahey and others of like-mind, priests would be less likely to fall into the traps of slippery-tongued Modernists, false compromises, glittery promises of "recognition" and "canonical status" at the price of minimizing Doctrine, and,

of course, “You-can-have-your-Latin-Mass-charism-just-don’t-be-polemical-in-our-pluralist-soup!” syndrome!

Finally, we may well be entering an era of “Operation Survival” at every level! **But let first things always be kept first: eyes fixed on Heaven, soul in the state of grace, feet on the ground fighting for the Holy Faith, minds thirsty for Truth, hearts growing in the love of God and neighbor, hands busy with labors of charity, knees well worn with humble prayer, mouth professing the Holy Catholic Faith and confessing our sins in Confession, shoulders wet with sweat from the duties required of us, fingers armed with the Rosary and chest & back shielded with the Brown Scapular of Our Lady!** All with the joy of the Holy Ghost, resigned in all things, to God’s Will!

Fight on, little flock, for “the sufferings of this time are not worthy to be compared to the Glory to come!”

In Christ the King,  
Fr. David Hewko

Our Apostolic Mandate **requires from Us that We watch over the purity of the Faith and the integrity of Catholic discipline.**

**It requires from Us that We protect the faithful from evil and error; especially so when evil and error are presented in dynamic language which, concealing vague notions and ambiguous expressions with**

I have made my choice: I choose Tradition. I cling to Tradition over novelty which is merely an expression of Liberalism, the very Liberalism condemned by the Holy See for a century and a half. ...
