Dear Soldiers of The Church Militant,

The fools behind the so-called “Great Reset” are determined to replace Catholic Christendom with the Cult of Man. They are determined to replace the True Religion, centered on Christ the King, with the false religion of Man and its father, the Devil. Let them try. *“The fool said in his heart: ‘There is no God!’ They are corrupt, and are become abominable in their ways.”* (Psalm 13:1).

History is full of such wizards of insanity, who thought they could rid the world of God and replace Him with their man-made gods. Such were: the builders of the Tower of Babel; Pharaoh of Egypt; Nabuchodonosor, King of the Assyrians; the Sodomites of Gomorrah and surrounding cities; King Sennacherib of the Assyrians, who’s pride was humbled by God; the powerful King Antiochus Epiphanes who faced the Machabees; Herod the Great who slaughtered the 14,000 Holy Innocents

in the Bethlehem area, trying in vain to extinguish the Newly-Born Light of the World; and his son, Herod Antipas, who mocked Christ the King, dismissing Him, dressed in a white psychiatric-patient's robe. The grandson of Herod the Great, namely, Herod Agrippa I, tried to silence the preaching of the "Son of Thunder", St. James the Greater, by killing him; and his son, Herod Agrippa "the Younger", had St. Paul imprisoned and would've had him dead, had not St. Paul pleaded his case to Rome.

Since the initial launching of the Catholic Faith by the Apostles and the first disciples of Our Lord, who told them: "*Go ye into the whole world, and preach the Gospel to every creature. He that believeth and is baptized, shall be saved: but he that believeth not shall be condemned*" (St. Mark 16:16), there have been thousands who tried to extinguish the Catholic Faith off the face of the earth! The attacks of heresies, emperors, apostates, traitors from within and without and even kings who tried to dominate over the Church, all have been humbled by God's hand.

More recently, one of the beasts of the Apocalypse to have risen in violent rage against the Bride of Christ, is Judeo-Masonry, with its daughters; Communism and Modernism. Fr. Denis Fahey unfolds their wicked plans in his magnificent writings on the Social Kingship of Christ, among which, he quotes a leading Lodge member proposing a toast during a banquet, at the Assembly of the French Grand Orient, in 1923, who boasted: "*To the French Republic, child of French Masonry. To the World-Republic of tomorrow, child of World-Masonry!*"

Eight years before, Lenin wrote in *The Social Democrat*, in 1915: "*The United States of the World (and not only of Europe), **that** is the state formula for the union...until the day when **the complete victory of Communism** will bring about the definite disappearance of every state, even those purely democratic.*" What Fr. Fahey says next about Ireland can be applied to any modern country, "*Lenin was consciously working, not for the **independence** of Ireland, but for the **disappearance** of Ireland as an independent state!*" (*The Kingship of Christ According to the Principles of St. Thomas Aquinas*, Rev. Denis Fahey, C.S.Sp., ch. 8).

Indeed, all that Our Lady of Fatima, of Quito, and of LaSalette warned about is happening now!

Of course, the end goal of the enemies of Christ is clear:

- "***Our final goal is that of Voltaire and the French Revolution — the destruction forever of Catholicism!***" (Instruction of the Alta Vendita).
- "***Catholicism must be destroyed throughout the world...let us***

conspire only against Rome.”(Masonic Chief ‘Tigrotto’ of the Italian Alta Vendita Lodge, 1822).

- “John XXIII and the Vatican II gave a formidable impulse to the work of clarification and reciprocal **disarmament between the Church and Freemasonry.**” (Grand Master of the Grand Lodge of France, Dupey).
- “It has been decided in our councils that we must get rid of Catholics, but **we do not want to make martyrs**, so let us popularize vice among the people. It must enter by their five senses: let them drink it in and be saturated with it...make men corrupt and you will have no more Catholics. Keep the priests away from work, from the altar and the practice of perfection: aim skillfully at occupying his thoughts and time elsewhere...I recently heard one of our friends making fun of our projects and saying: ‘To overthrow Catholicism, you must begin by suppressing the female sex.’ The saying is, in a certain sense, true, but we cannot suppress Woman, so let us corrupt her along with the Church. Corruptio optimi pessima! (‘The corruption of the best is the worst’) ...**the best dagger with which to wound the Church to the death, is corruption!**” (Cretineau-Joly, *l’Eglise Romaine en face de la Revolution*, Vol. II, p. 28).

Then Fr. Fahey highlights one of the chief goals of Masonry, which is introducing immodesty in fashions, especially in the children, “To escape opposition progress must be methodically graduated: first, feet and legs naked, then upturned sleeves, afterwards the upper and lower limbs, the upper part of the chest, the back, etc.,...in summer, children will go around almost naked in all weather” (*Revue Internationale des Societes Secrets*, 11 November, 1928, pp. 1062, 1063).

The great Fr. Denis Fahey further exposes the Kabbala as the key to the symbolism of the Masonic and occultist groups which are given to Satan, who’s primary efforts are to propagate nakedness and every sort of moral corruption. They dominate Hollywood and all mainstream media today!

Nor was Archbishop Marcel Lefebvre ignorant, **nor silent**, about the clenched grip of Freemasonry in Rome and the Church! Listen to a few of his words:

- “We must not be afraid to affirm that the current Roman authorities, since John XXIII and Paul VI, have made themselves **active collaborators of international Jewish Freemasonry and of world socialism.** John Paul II is above all, a Communist-loving politician, at the service of a world Communism, retaining a hint of religion. He openly attacks all of the anti-Communist governments and does not bring, by his travels, **any** Catholic revival” (Abp. Lefebvre)
- “A non-aggressive agreement has been made between the Church and Masonry. It was covered up by calling it **aggiornamento**, a reaching out to the world, **Ecumenism!**” (*Le Figaro*, August 2, 1976).
- “The goal of the laicization of the State is also the “aim of the devil who is behind **Freemasonry**: [it aims for] the **destruction of the Catholic**

Church by allowing freedom to all false religions and by forbidding the State to work for the Social Reign of Our Lord Jesus Christ” (Marcel Lefebvre, Bp. Tissier, p. 498).

- “*But now they say: ‘No! All religions are ways of salvation!’ My dear brethren, this is false, absolutely false! And it is precisely this which changes everything inside the Church. **This influence comes from Protestantism and from Freemasonry; one must say, these are Masonic ideas; that the Church must not claim to be ‘the only way of salvation’**” (Conference at Campbell, January 5, 1986).*
- “*I would say that the first sensational event which manifested this opposition, even within the Church and within the Roman Curia, between **the Liberal program - Masonic, it must be said -** and the program of the Church, of the Faith and of Tradition, is the opposition between Cardinal Ottaviani and Cardinal Bea [on the question of Religious Liberty].” (Conference of Abp. Lefebvre, Ecône, August 2, 1976).*

The enemies of God may win some battles, but they will never win the War! St. Pius X raised the Catholic banner a long time ago, proclaiming the only **real** solution to the modern apostasy, “*there is no true civilization without a moral civilization , **and no true moral civilization without the True Religion!**” (Our Apostolic Mandate, St. Pius X, 1910).*

He answers those who ask: “*How do we rebuild? What do we do? Where are the blueprints?*” He answers:

*“The City cannot be built otherwise than as God has built it; society cannot be set up unless the Church [of Tradition] lays the foundations and supervises the work; no, civilization is **not something yet to be found**, nor is the New City to be built on hazy notions; it has been in existence, and still is: it is Christian civilization, **it is the Catholic City! It has only to be restored continually against the unremitting attacks of insane dreamers, rebels and miscreants**” (Our Apostolic Mandate, St. Pius X, August 25, 1910).*

Pope Pius XI, in his Encyclical, *Ubi Arcano*, in 1922, rallies the Catholic faithful to do all they can to bring about the Social Reign of Our Lord Jesus Christ at the political level, calling on them to resist the onslaughts of the enemies of Christ, to “*fight bravely and continually, under the banner of Christ the King,...endeavoring to win over to Our Lord, those who are estranged from Him or know Him not,...and to valiantly defend His rights.*” Far from taking the “hiding under the couch” approach, he urges: “*While nations insult the sweet Name of Our Redeemer, by suppressing all mention of It in the conferences and parliaments, **we ought all the more loudly proclaim It, and all the more universally affirm the privileges of His Royal Dignity and Power!**”*

Pope Leo XIII, in a Letter to Italian people, December 8, 1892, insists that the Catholic people strenuously combat the naturalistic propaganda of the Freemasons, who mask their real character under the phrases of “*universal toleration*” or “*respect for all religions*” and flaunt their obsession with reconciling the maxims of the Gospel with the Revolution, of reconciling Christ with Belial, the Church of God with the God-less State. He further insists, “*it is not enough to remain on the defensive, we must enter the arena and fight, face to face. This, you shall do, dear sons, by opposing publications to publications, schools to schools, associations to associations, congresses to congresses, action to action... [when] Freemasonry multiplies its lodges, do you also multiply Catholic circles and parochial committees!*”

Abp. Lefebvre did exactly that, building five seminaries throughout the world, retreat houses, schools, priories, publications, Catholic scouts and pilgrimages, etc., etc. This he did, up until his dying breath!... What are we doing??

Again, let the unwavering champion of the Faith speak:

“The Holy Virgin will have the victory! She will triumph over the great apostasy, the fruit of Liberalism. One more reason not to ‘twiddle our thumbs’! We have to fight more than ever for the Social Reign of Our Lord Jesus Christ! In this Battle we are not alone: we have with us, all the Popes up through Pius XII inclusively. All of them combatted Liberalism in order to deliver the Church from it. God did not grant them to succeed, but this is no reason for us to lay down our weapons! We have to hold on. We have to build while the others are demolishing! The crumbled citadels have to be rebuilt, the bastions of the Faith to be reconstructed: firstly, the Holy Sacrifice of the Mass of all times, which forms saints; then our chapels, which are our true parishes; our monasteries; our large families; our enterprises [or businesses] faithful to the social doctrine of the Church; our politicians determined to make the politics of Jesus Christ ... All that I know, the Faith teaches us, is that **Our Lord Jesus Christ must reign here below, NOW, and not only at the end of the world, as the Liberals would have it!**” (They Have Uncrowned Him, Abp. Marcel Lefebvre, p. 251).

Battle on, faithful flock, even if we die fighting!

In Christ the King,
Fr. David Hewko

“Let the storm rage and the sky darken — not for that shall we be dismayed. If we trust as we should in Mary, we shall recognize in her, the Virgin Most Powerful who with virginal foot did crush the head of the serpent.”

- Pope St. Pius X
