Advent 2025

Dear Little Flock,

The Divine Heart of Jesus desires to reign through the Immaculate Heart of His Virgin Mother! He chose to come to us from the days of eternity through Her. He chose to be nursed, lovingly handled, and bathed in Her motherly hands. He worked His first public miracle of the wine at Cana through Her humble appeal. He worked the triumph of the Redemption of the human race with Her constantly by His side. She, the valiant Woman of the Book of Genesis and the Apocalypse stood at the foot of the pillar of the scourging, stretched out Her helpless hands as He stumbled on the way to Calvary, and remained transfixed, weeping and standing, at the foot of the Cross!

Truly, She is the Co-Redemptrix and Mediatrix of all graces! This is God's Will! He

deliberately desires Her participatory role to issue-in the Age of the Triumph of Her Immaculate Heart! Through Her Immaculate Heart He wants His Divine Heart honored, expiated, and loved by all nations!

At the hour of His Passion and Death, the whole world witnessed the old structure of the Synagogue rejecting its true Messiah, led by the chief priests, the Pharisees, High Priest and Elders of the Temple. Meanwhile, the flame of Faith and true belief kept burning in the Heart of Mary. After the Resurrection, She rekindled this fire in the hearts and minds of the Apostles and Christ Himself came to console, rebuke and strengthen their lost Faith in Him.

The then disbelieving structure contrasted remarkably with the few believing faithful, who professed the Divinity of Christ. As is the case now, the disbelieving structure of the Church contrasts with the Catholic Faith believed and professed integrally by all those who wholeheartedly adhere to Tradition. Did not St. Pius X foretell that the true friends of the people are not the innovators of new doctrines, nor the Liberal utopians ever promoting change to fit the apostate modern world, but the men attached to Catholic Tradition?

Let us gather around the “Tower of David”, the “Refuge of Sinners”, the new “Ark of the Covenant”, Our Blessed Mother! and stand humbly, firmly, and confidently under Her mantle! Please pray for the six seminarians testing their vocation at the Oratory of the Sorrowful Heart of Mary here in New Hampshire. The Rule of Life follows the one of Abp. Lefebvre for seminaries. On top of classes and a regimented schedule, they find themselves loading wood, feeding two woodstoves, shoveling snow, and studying Latin declensions between all of this!

They're under no illusions as to the demands of the priesthood in this apostate age; how they must be ready to sacrifice for souls, study, pray, smile, pray, and study! All our hopes are to maintain the position of Abp. Lefebvre in the face of apostate Rome, to hold high the True Catholic Doctrine, and defend Christ the King at all costs!

Our Lady at Quito, Ecuador foretold a time when “all will seem paralyzed” due to the influence of the Masonic Lodges. Can we not say that this situation applies today? What more do the enemies of Christ desire, and the Modernist parasites within, than for traditional priests to accept the errors of Vatican II and give in on the New Mass? What more can they dream of than bishops with traditional vestments, offering the Tridentine Mass, but silent as mute dogs? Their silence contributes just as much to the destruction of the Church as the vocal Modernists spreading their poison everywhere.

Let us offer our Advent and Christmas Rosaries that the Sacred Heart of Our Lord touch the lips of some good-hearted traditional bishop to proclaim Jesus Christ Crucified, to defend His Royal Dignity and Rights, and consequently condemn the errors of Vatican II,

the New Mass, and the Ecumenical Catechisms & Bibles. Abp. Lefebvre warned that any deals made with Modernist Rome will mean our reduction to silence. This would be a criminal silence that betrays the Truth and our Good Shepherd's sheep of His pasture! How our days seem more paralyzed than ever!

May the Immaculate Heart of Mary step in soon! May She overthrow the Dragon once again and crush the head of the ancient serpent! She's done it many times in history, She will do it again! Come quickly, Blessed Mother! The wine has run dry, tell thy Son again on our behalf, "They have no wine!" Persevere courageously in the Battle for the Holy Faith!

In Christ the King,
Fr. David Hewko

“Let the storm rage and the sky darken — not for that shall we be dismayed. If we trust as we should in Mary, we shall recognize in her, the Virgin Most Powerful who with virginal foot did crush the head of the serpent.”
